To verify that an agency  
is A+ Certified, go to:

***Homecarestandards.net***

*The Home Care Standards Bureau (HCSB) A+ Certification is granted only to home care agencies that meet, and continue to adhere to, the HCSB Regulatory Board's stringent Code of Standards & Ethics. The A+ Certification does not imply any special expertise of the agency or its caregivers.*

## Why choose *Flourish In Place?*

Flourish In Place enables older adults to age at home with the level of care they need to be safe and comfortable, while providing their family with peace of mind.

### **Flourish In Place:**

- keeps families together and allows seniors to maintain their freedom;
- postpones and possibly prevents institutionalization;
- provides as little or as much care as is needed;
- allows more security than living alone;
- reduces stress and improves quality of life; and
- reduces expensive hospital stays.

## Home Care Standards Bureau CERTIFIED: **Flourish In Place**

*HCSB grants A+ certification to home care agencies that meet and adhere to a stringent code of standards and ethics. This agency is among this distinguished, and limited, national group of agencies to be recognized for meeting and/or exceeding the following criteria:*

- proper licensure by all applicable state and federal regulatory organizations;
- all caregivers have been fingerprinted and passed a level 2 background screen;
- all caregivers have completed 12 classes of annual caregiver education;
- carries liability, worker's compensation and non-owned vehicle insurance;
- all caregivers are W-2 employees and have applicable licenses or certifications;
- owner(s) has at least one year of experience in the Home Care field;
- abides by the HCSB Regulatory Board Code of Standards and Ethics; and
- undergoes annual audits to ensure compliance in all areas.
